

# GUILD SPONSORSHIP PROSPECTUS

# Welcome Address from the President

We welcome you to become a valued partner of the oldest professional education association in Australia, the Teachers' Guild of New South Wales. Established in 1892, the Guild exists to promote and further the cause of education generally, considering all questions affecting the status and interests of the teaching profession.

Working in close cooperation with the Teachers' Guild of New South Wales, will see your organisation gain exposure across our calendar of events, as well as close alignment with the aims and objectives of the Guild. With - exposure over the five core signature events – The Gifted Awareness Forum for Educator (GAFE), STEM Education and Industry Forum, VET in Schools Forum, Guild Research Awards Presentation Event and the Annual Dinner and Presentations of Awards Evening, you have the opportunity to partner with a highly esteemed organisation, focussed on improving the quality of education nationally.

Over the years the Guild characterised its core value as "The Care of Education". Without abandoning that essential concern, the Guild's logo reads

*"Doceo ut discam: I teach, that I may learn"*, and seeks to express a commitment to continued professional learning.

The calendar of events provides a platform for educators, researchers and policy makers to exchange ideas, opinions and experiences, aimed to support, drive, change and build productivity across the education sector.

Hosted by the Teachers' Guild of NSW, the main goal of the events calendar is to:

- Promote and support the development of all professional areas intersecting with the delivery of education;
- Advocate to advance the interests of professional educators, including policy change and regulatory reform;
- Foster an increased awareness and understanding of the role of educators with all facets of the Australian community; and
- Strive towards continually improving the quality of education delivered nationally.
